

Educational CV

A Teaching and training activity

AES

I have been an AES since 1st September, 1995. I have been fully engaged in all aspects of postgraduate educational activity in my base hospital and have been fully engaged with ISCP since its introduction.

Member of ARCP panel

I have been a member of RITA and ARCP panels during my 17 years as a Consultant. As SAC Liaison member for the London Consortium, I have participated in RITA/ARCP panels outwith my home Deanery.

College Examiner

I have been an examiner for the MRCS and Intercollegiate MRCS in the past. I am currently an examiner for the Diploma in Child Health for the RCPSG and have examined in this examination in Oman on three occasions, in addition to examining locally. I am currently just starting my second five year term as an examiner for the Intercollegiate Board Examination in Paediatric Surgery.

Course Faculty

I have been an ATLS Instructor since 1992. I have also instructed on the ATLS instructor course. I also teach on the Basic Surgical Skills course for the RCPSG.
